It is only in God's promises that we find hope

i. The hearts of humanity continue to be evil

"I will never again curse the ground because of man, for the intention of man's heart is evil from his youth." (Genesis 8:21)

ii. Even the greatest fail us

"Out of the ground that the LORD has cursed, this one [Noah] shall bring us relief." (Genesis 5:29)

iii. There is only One who can bring true relief

Application: put your trust in Jesus!

Questions:

When are we tempted to put our trust in humans to make good on the problems in our world? Why, from this passage, is that tendency so stupid? What lessons do we learn from Noah's fall? List some ways that Jesus is much greater than Noah. What's His impact? What does He offer us all?
